Dear Mr. Wagenen,

The Mountain Area Safety Taskforce (MAST) supports the document, San Jacinto Mountain Area Traveler Emergency Communications Expansion Project Proposal. The AM station, WINKI-578, is a useful and needed mountain community alert system. The expansion plan submitted will be very useful as a communication tool for residence's as well as visitors in the San Jacinto Mountain area.

Sincerely,

Freddie Espinoza, MAST I.C. USFS-San Jacinto District

Gregg Bratcher, MAST Chairperson CAL FIRE Riverside

Patrick Rietz, MAST I.C. Idyllwild Fire Department

Jerry Hagen, MAST I.C. Emergency Management Department, Riverside County
